ABOUT US

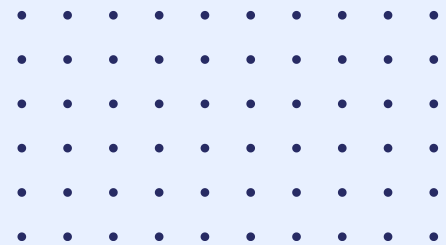

Hawkings is One of India Best Leading E-scooty Manufacturers Company over 5 years!! hawkings presents you with a ride that won't cost our planet, so you can contribute towards the well-being of our planet in style. Our latest addition is the beastly hawk h3 & hawk h4, where you can cover 90 km with just five hours of charge. Under the guidance of our MD, Mr. Shaukat Mansuri, Director cum CEO Mr. Jitendra Barot & Director Ariz Mansuri, we are build an eco-friendly atmosphere, one bike at a time.

Hawings With innovation being an integral part, our idea is to bring something new to the market, which can also help fight climate change. A part of hawkings Innovations private Limited. With more than Four trendy models, we want to make a positive impact on the future. After all, in the current environment scenario, where the majority of the carbon emission is caused by fuel-run vehicles, zero-emission vehicles are a boon. Also, our vehicles are perfect for every day use as they are inexpensive and require very little maintenance.

VISION

Company HAWKWINGS is expanding the research and development programmed for long term electrification of drives with this commitment. The three essential goals of the fleet trail are:

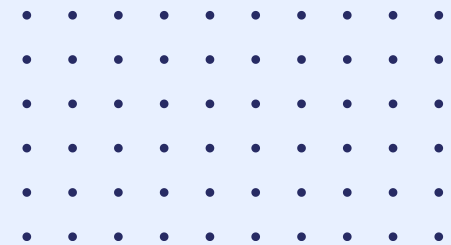

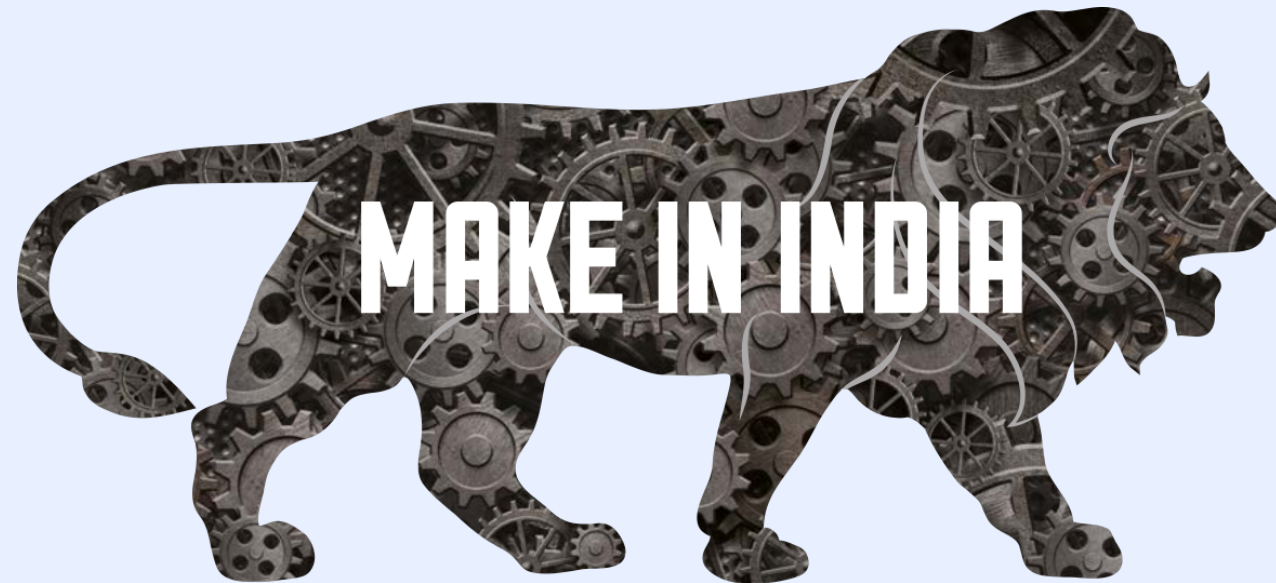

- The electric motors used in the test fleet should be powered with regenerative electricity
- The test vehicles store this energy using the latest battery technology.
- These batteries needs to be particularly durable and low cost to allow the electric drive to make the breakthrough to mass production.

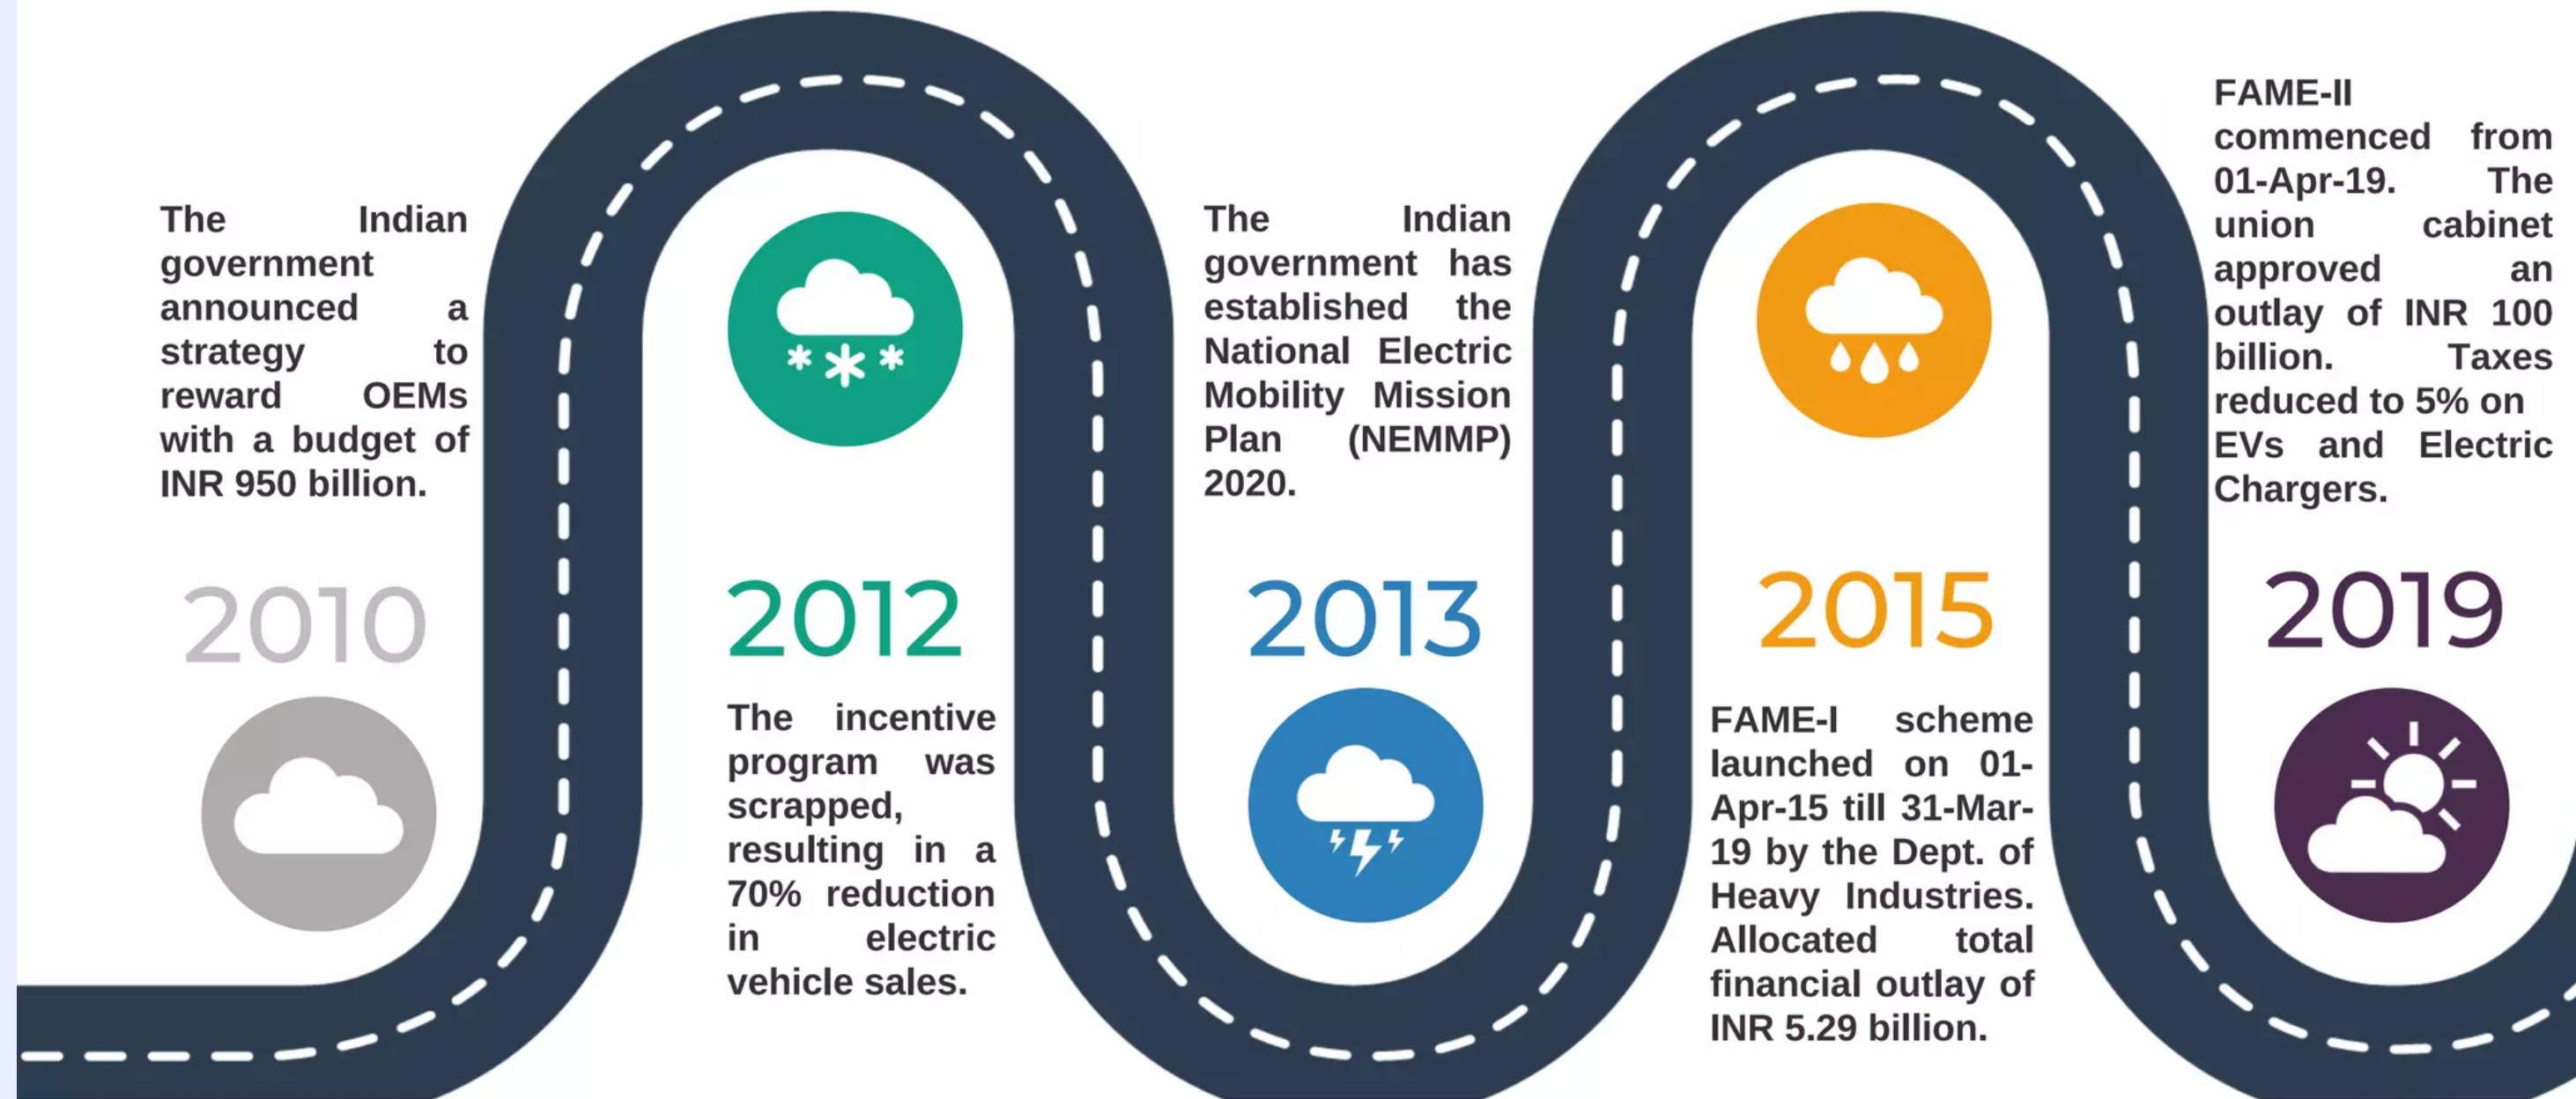

MISSION

“Company to accelerate the world’s transition to sustainable energy.”

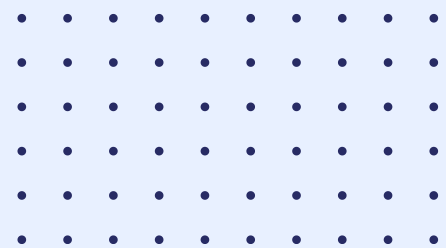

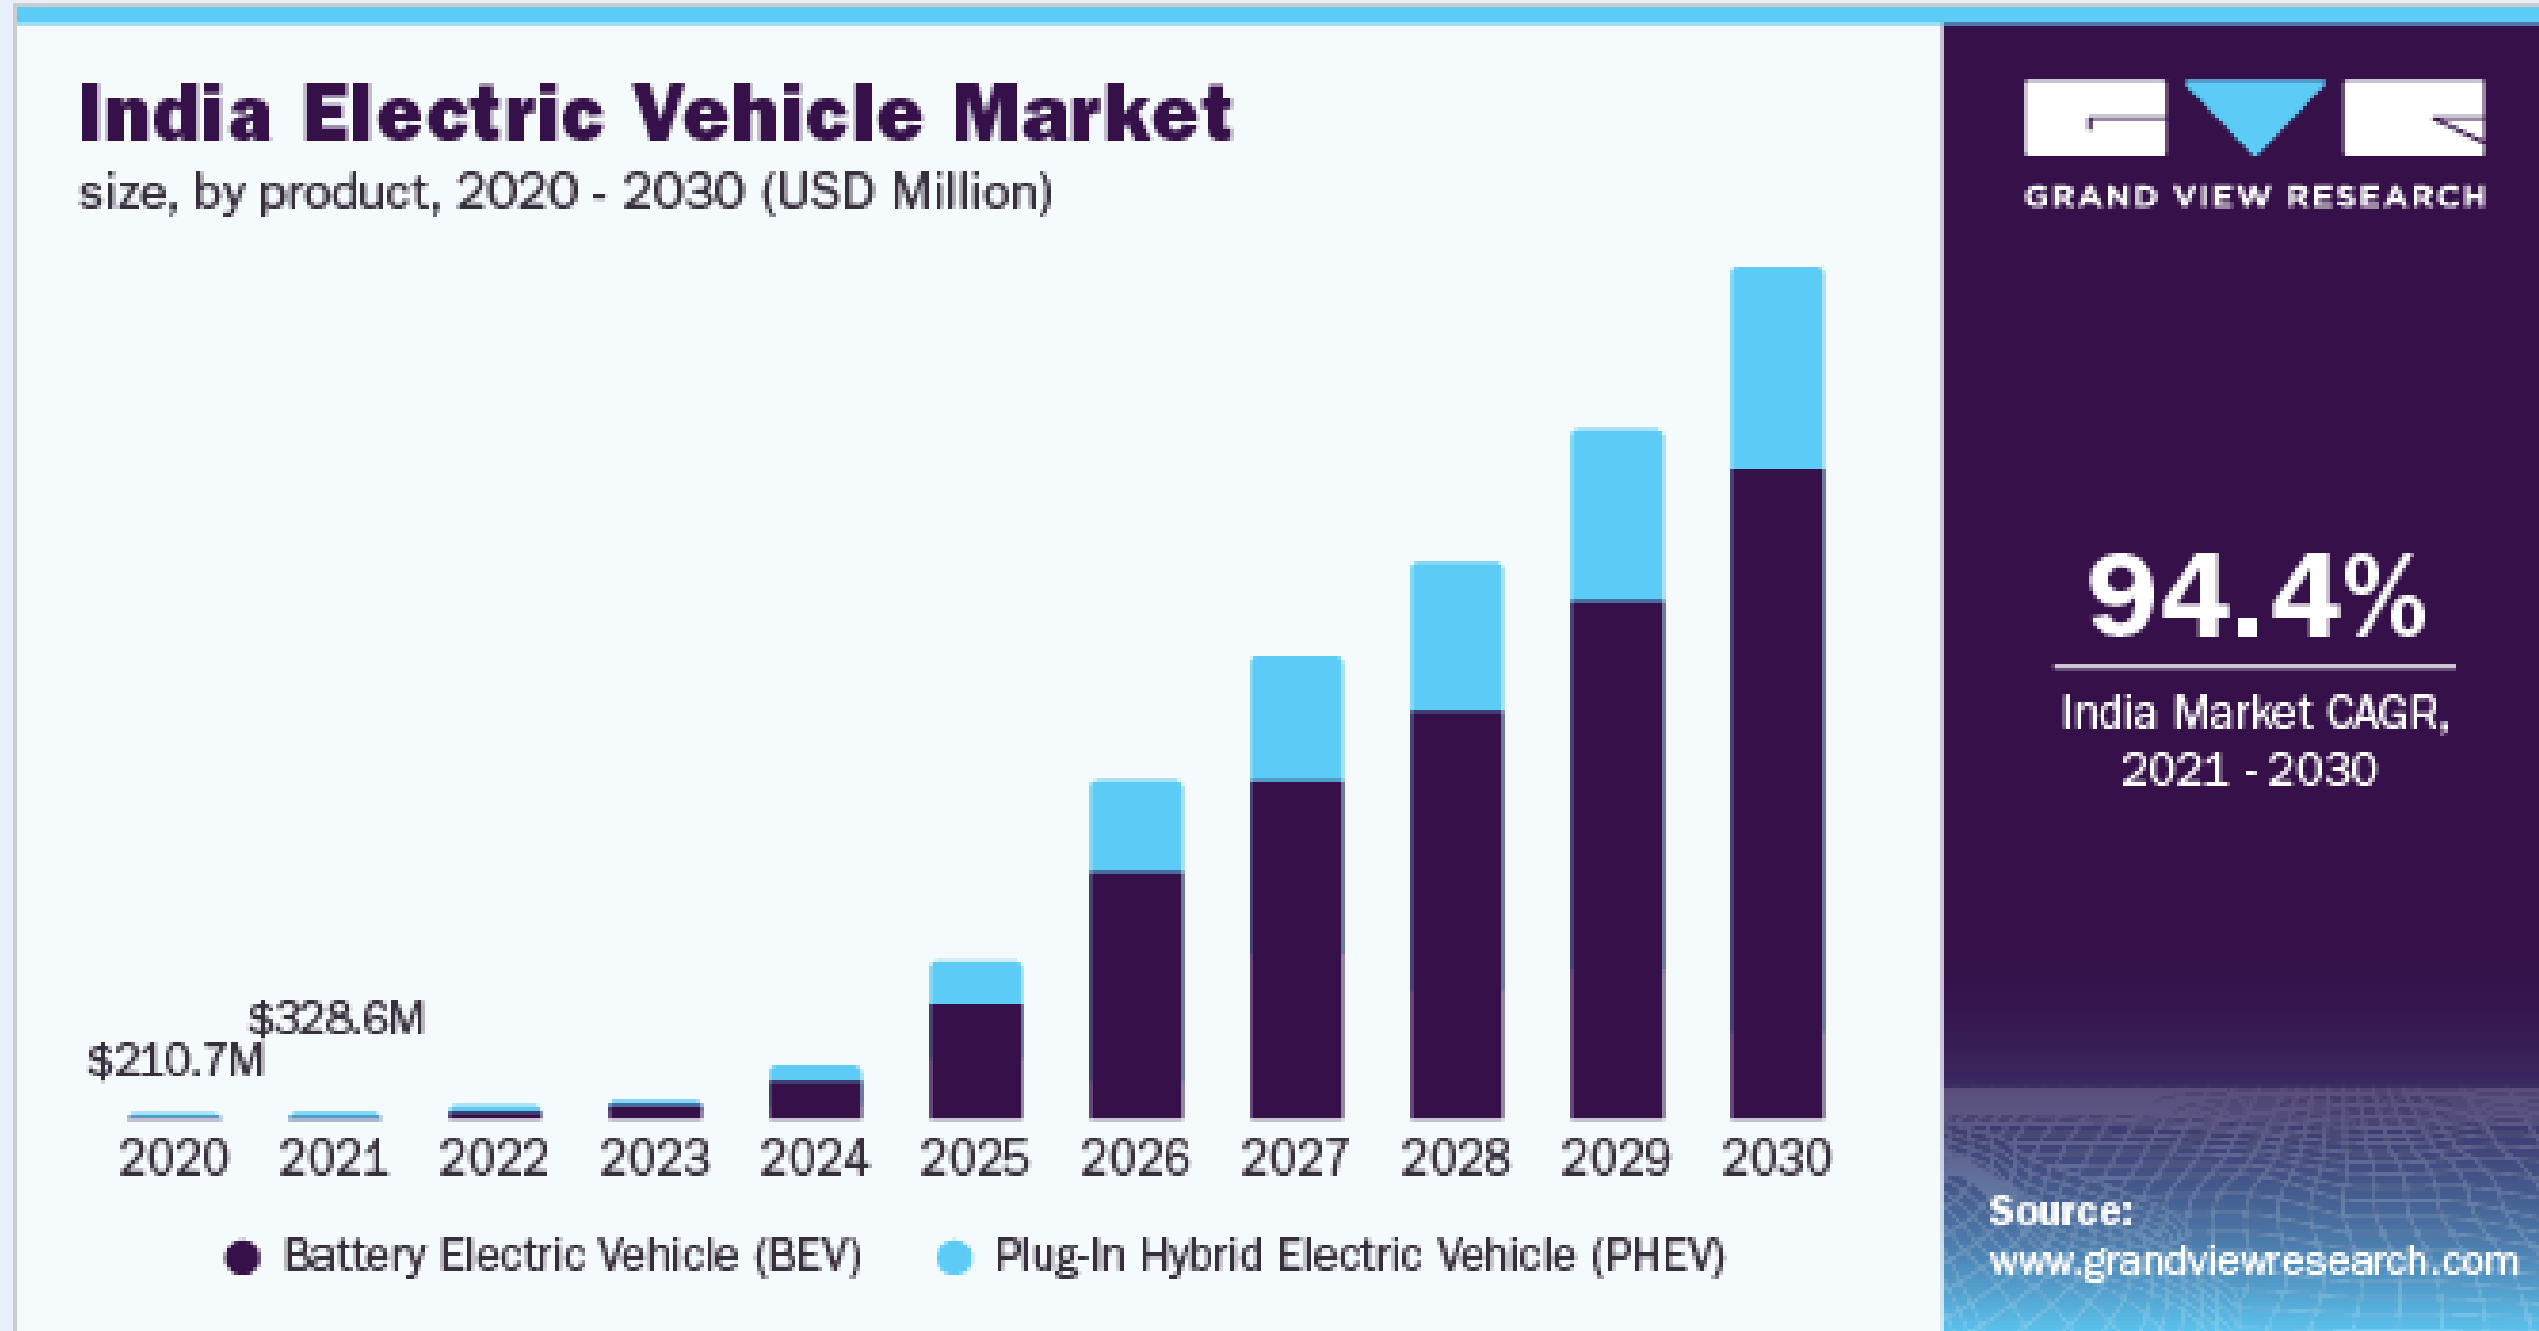

- Hawkings is not just an automaker, but also a technology and design company with a focus on energy innovation.
